

## MAHATMA GANDHI JI

### EDUCATION WHICH CANNOT FORMULATE GOOD CHARACTER HAS NO VALUE- MAHATMA GANDHI JI

निडरता की ताकत है। भयमुक्त होकर ही शक्तिशाली बना जा सकता है। शक्तिशाली बनने के लिए हमारे शरीर में निहित दमखम जरूरत नहीं होती। इसके लिए निडर बनना आवश्यक है।

सभ्यता आचरण का वह तरीका है जिसके माध्यम से कोई व्यक्ति अपने कर्तव्यों का निर्वाह करता है। दायित्वों के निर्वहन में ही नैतिकता है। नैतिक आचरण से ही हम खुद को पहचाना सकते हैं सभ्यता का सीधा सा तात्पर्य अच्छे आचरण से ही है।

जो शिक्षा चरित्र निर्माण न कर सके उसका कोई मूल्य नहीं है। प्राचीन शिक्षा प्रणाली बेहतर थी जो इस पर बल देती है।

यही बुनियादी प्राथमिक शिक्षा है। इसकी नींव पर जिस इमारत का निर्माण होगा वह स्थायी होगी।

## RABINDRANATH TAGORE

The highest education is that which does not merely give us information but makes our life in harmony with all existence.

Don't limit a child to your own learning, for he was born in another time. I have become my own version of an optimist. I'll go through another door – or I'll make a door. Something terrific will come no matter how dark the present.

If you shut the door to all errors, truth will be shut out.

## DR. APJ ABDUL KALAM

If a country is to be corruption free and become a nation of beautiful minds, I strongly feel there are three key societal members who can make a difference. They are the father, the mother and the teacher.”

Thinking is progress. Non-thinking is stagnation of the individual, organization and the country. Thinking leads to action. Knowledge without action is useless and irrelevant. Knowledge with action, converts adversity into prosperity.

Educationists should build the capacities of the spirit of inquiry, creativity, entrepreneurial and moral leadership among students and become their role model.

## SIR CV RAMAN

We need a spirit of victory, a spirit that will carry us to our rightful place under the sun, a spirit which will recognize that we, as inheritors of a proud civilization, are entitled to a rightful place on this planet. If that indomitable spirit were to arise, nothing can hold us from achieving our rightful destiny.

I think your education is imperfect, if you do not realize; my young friends, that life is not merely a question of getting food, clothes and shelter. Man does not live by bread alone. This has been realized from ancient times. I think that the finest things in life are not these, but music, colour, flowers, beauty, aesthetic sense, the satisfaction derived from these. It is these finer things in life that makes life worth living.

## J. KRISHNAMURTI

In our search for knowledge, in our acquisitive desires, we are losing love, I we are blunting the feeling for beauty, the sensitivity to cruelty; we are becoming more and more specialized and less and less integrated. Wisdom cannot be replaced by knowledge, and no amount of explanation, no accumulation of facts will free man from suffering. Knowledge is necessary, science has its place; but if the mind and heart are suffocated by knowledge, and if the cause of suffering is explained away, life becomes vain and meaningless. And is this not what is happening to most of us? Our education is making us more and more shallow; it is not helping us to uncover the deeper layers of our being, and our lives are increasingly disharmonious and empty.

Information, the knowledge of facts, though ever increasing, is by its very nature limited. Wisdom is infinite, it includes knowledge and the way of action; but we take hold of a branch and think it is the whole tree. Through the knowledge of the part, we can never realize the joy of the whole. Intellect can never lead to the whole, for it is only a segment, a part.
